### What to do next.

1. Please double check your order making sure all details are correct.
2. Make sure you've signed the order form where requested on Page 2. Please make sure you've read and agree to our Terms & Conditions before doing this.
3. Please order your images by applying numbers to each one or packing tightly in the order to be transferred. We suggest using small stickers placed on the back of photos, or on the holders with slides. Any orders received without any kind of ordering will be scanned in random order.
4. If you've opted to include Chapters or Titles options with your order then please make sure to create and include clearly written or typed up instructions to apply to these enhancements. For instance: Chapter 1 - images 1-20, Chapter 2 - images 21-50, etc.
5. If you have any doubts about your order form then please contact us before sending your order to us to prevent any delays with the order.
6. Continue to package up your order. Please include generous padding inside the box/package to prevent any damage or movement in transit. Don't forget you can apply the postage label to your box/package found on page 6 of this order form.
